## PRODUCT INFO

---

- Portable stand provides multiple viewing angles by placing the stand on either the long or short side; holds device in either portrait or landscape position.
- Easily slides around most smooth surfaces for quick repositioning.
- With its minimalistic design it looks great on your desk or countertop. Compatible with most smartphones such as iPhone, Google Pixel, Samsung Galaxy, HTC, LG and more.
- Durable and 100 % made of fast growing Alnus wood. Easy to open and fully recyclable paper based packaging.
- Extremely lightweight and compact design with no moving parts, ready for travel.
- Designed by Beata Franso, Amsterdam based artist/designer. Patent pending.

SUITABLE FOR/

## OPTIMAL VIEWING ANGLE

---

Our minimalistic design keeps every phone or tablet in the optimal viewing angle. With great care we have selected a range of wood to suit any interior.
